6 THINKING HATS

The Moderator

- Is the idea we are discussing clear?
- Has everyone had a turn to speak?
- Are we staying in the right hat?
- Are comments and ideas being captured?
- Are we wearing actual hats?

Calm, cool-headed and diplomatic. Let your moderator kick you off.

The Facts Hat

Straight-faced and neutral. She's the Queen, it's a fact. What other facts are there?

The Emotions Hat

Don't be shy, crack a smile. We all have 'em, so let those emotions flow.

The Negative Hat

Alright, no smiling. Why does this suck? Channel your inner pessimist.

The Positive Hat

Now back to smiling, and for all the good reasons. It's the sunny, positive hat!

The Possibilities Hat

Growth and possibility. Like that thing growing gloriously from her hat.
